

The Fairview Independent School District offers school breakfast and lunch daily. Students who have a disability which may prevent them from eating meals prepared by the food service may be eligible for accommodation.

Please contact Cindy Whitt, Child Nutrition Director for information. The Medical Statement for Students Requiring Special Meals must be completed and the specific needs of the student identified from a recognized medical authority. The form will be kept in the student's health chart and a copy will be given to the food service manager in your child's building.
