

Included below is a list of questions and answers to allow the communication of information to Fairview families after the announcement that students will not be returning to school this year. This document will be updated as decisions are made.

1. Q. Will senior trip deposits be refunded?  
A. Yes, we are working through this process at this time and every senior deposit will be refunded before Friday, May 15, 2020. In the event that conditions change and students are able to take a senior trip more locally at the end of summer, we will discuss costs at that time.
2. Q. What will we do about student locker contents?  
A. At a later date, we will announce a time that students can come through a drive thru set up after our last day on May 20, 2020. Students will turn in their chrome book at this time. A process with more details will be announced at a later date.
3. Q. We know you are working on the possible reschedule of some senior experiences but what about Pre-K, K, 5th Grade, and 8th Grade.  
A. We are waiting until closer to the middle of May to make decisions around these student experiences and hoping our situation changes so that we can reschedule them at a time right before school starts next year. More information and an opportunity for student and parent input will occur at a later date this summer.
4. Q. What about Pre-K and Kindergarten Enrollment?  
A. Information will be coming out the first week of May on our Facebook page and district website. We are working to move all forms to an electronic format. We will also communicate about transition activities and other information specific to in-coming Pre-K and K students.
5. Q. When is the NTI work due?  
A. You can find most answers related to NTI over the closure in this document:
